

April 20th- April 24th

Monday

Start your morning with Joe Wick's 9 am session!

English:

1. English In Practice Day 99
2. Write a short RECOUNT about what you did during Easter. If you did not celebrate Easter, then write a recount about what you did on one of the beautiful, sunny days that we had last week.

Remember to use:

- A. Openers eg: First, Then, Next, After, Finally...
- B. Past Tense eg: walked, went, watched, ate, drank, ran, cycled..
- C. Adjectives: Describe the nouns – ie: **red** table, **smooth** chair, **delicious** dinner
- D. CHALLENGE!!! Use 3 adverbs in your writing (Adverbs describe how you did something) eg: I walked **carefully**, I played **quietly**, I shouted **loudly**..

Maths:

1. Mental Maths Week 28 Monday
2. Data

Play the games Data squares and Desmond's necklace on folenonline.

<https://www.folenonline.ie/home/library/programmes/planet-maths2/ebook/>

Complete page 146 question B and 147 question A Planet Maths

Religion:

Say the Grace Before and After Meals Prayers today. Say them before and after you eat your food. Think about how grateful we are to have these meals and say a short prayer for the people in our world who are not as fortunate.

(You will find these prayers in the back of your Religion Book)

SESE: Topic: Africa

Read the story Anansi and the Pot of Wisdom from Small World page 74-75

Talk about the story and colour and draw the pictures to finish the story.

Tuesday

Start your morning with Joe Wick's 9 am session!

English:

1. Read Theory x1 passage
2. English in Practice Day 100

Maths:

1. Mental Maths Week 28 Tuesday
2. Data - Complete page 147 question B.

Try one of these: Make a pictogram for one of these tasks below and create 5 questions to go with it. Make sure to use tally marks to collect your information efficiently! (I will attach a video about tally marks)

1. Pick three fruit and ask everyone in your family to pick their favourite out of those 3.
2. If you live near a road – sit somewhere that is safe – and track the colours of the cars passing within a certain amount of time.
3. Count and show the different types of fruit in your kitchen.
4. Count and show the different types of vegetables in your kitchen
5. Make up your own. Get creative!

Religion:

Reflect on the prayers that you said yesterday. Again, think about how fortunate we are for all the food that we have. Write out the Grace Before Meals Prayer into your Religion copy or on a sheet of paper and decorate it.

SESE:

Read about the Wildebeest on page 73 in your Small World textbook. Write the missing words and finish the picture.

Wednesday

Start your morning with Joe Wick's 9 am session!

English:

1. Read Theory x1 passage
2. English in Practice Day 101
3. Grammar: Contractions: See powerpoint on seesaw explaining contractions. Look through your books at home and on a blank page, make a list of the contractions that you find. Then write the long version beside it eg: shouldn't = should not, I'll = I will

Maths:

1. Mental Maths Week 28 Wednesday
2. Data - Complete page 148 question A and B from Planet Maths.

Religion:

Reflect on the prayers that you said yesterday. Again, think about how fortunate we are for all the food that we have. Write out the Grace After Meals Prayer into your Religion copy or on a sheet of paper and decorate it.

SESE:

Read about the country Ethiopia in your Small World Book. Complete page 76 and 77.

Thursday

Start your morning with Joe Wick's 9 am session!

English:

1. English in Practice Day 102
2. Next week, you will be working on creating a small project / non chronological report on an African animal (Just like the ones you completed on a Polar Animal a few weeks ago)
Today, spend a little bit of time researching African animals and choose the one you would really like to do a project on.
Here are some websites to help or of course, if you have non-fiction texts at home on African Animals, they would be a great resource too!

Maths:

1. Mental Maths Week 28 Thursday
2. Data - Complete question A and B on page 149 of Planet Maths

Religion:

With your family, chat about your favourite foods and where they come from. Join your hands and in your mind, quietly give thanks for all the food that is available to you and how this food keeps your body healthy and strong.

Music:

Listen to and sing along to the song: "I can't wait to be king" from The Lion King!

<https://www.youtube.com/watch?v=l8UFnc85-xM>

- ❖ Can you learn the lyrics of the **CHORUS** off by heart?
- ❖ We use 'I can't wait' when we are excited about something. Can you write and draw about something that you are excited about?

Friday

Start your morning with Joe Wick's 9 am session!

English:

1. English in Practice Day 103
2. Project: Collect some facts about the animal that you have chosen to do your project on.

Use an A4 Sheet (or larger if you have it) and divide the page into the following **subheadings:**

1. Appearance
2. Habitat
3. Diet
4. Young
5. Fun Facts

Remember to ask an adult to help you when you are looking for information on the internet about the animal that you have chosen to research. Cyber Safety is important! Here are some websites to get you started!

Maths

- 1 Mental Maths Week 28 Friday
- 2 Data – complete a Tally Mark Chart, pictogram and block chart, using A BAG OF SKITTLES!! (M&Ms can also be used) - I will attach a picture to give you an idea of how to present it.

Religion:

As you eat today, try to remember to say the Grace Before and After Meals and silently give thanks and gratitude for the food that is in front of you. You could even think of a short prayer of thanks with your family and say this when you eat today.

Art:

Sketch a picture of your favourite African animal that you might see on a Safari.

<https://www.youtube.com/watch?v=B1llijlOqwI> - this link will show you how to draw a lion – remember to pause it every few seconds so you have time to draw along with it.

Please try your best with all the activities and I know it may not be possible to complete all the activities. I will put links and resources on Seesaw daily to help you with your learning.

Here are a few more activities for you to enjoy.

- 10@10... Rte have these 10 minute exercise videos online..
- Go noodle... Lots of silly videos to lighten the mood!
- If the children are flying through maths get them to make word problems to match some of the questions.
- DEAR time... drop everything and read a library book!
