

Homework 8th-12th June 2020

- **WELCOME TO A NEW WEEK EVERYONE!! We hope you enjoyed 'Chick Week' last week.**
- **The theme for this week is 'The Local Environment'. Keep an eye on seesaw and the school website for activities from our teachers.**
- **If you would like to contact me for any reason you can do so through Seesaw and/or by email; mslohan595@gmail.com. I really appreciate the feedback through the sending of videos and pictures. It's great to see them improve and grow while they are at home and I love giving them positive feedback. Hope this is giving the children a little bit of a boost too.**
- **All activities posted on Seesaw this week are highlighted below.**
