Mr Geraghty's 6th Class – Week of 20th to 24th of April

Hi everyone. Hope you are all well!

I will post additional resources and material of interest to ClassDojo during the week.

As always try your best to complete what you can and send me a Classdojo message if you are having any problems with the work!

The following can be done every day

PE – Start off your day with Joe Wicks on his YouTube channel, live workout daily @ 9am. It can be watched back at anytime during the day if you miss the live one!

Mental Maths – We will start week 29 (page 88). Do one per day. I will put up answers for you to correct during the week.

Art – *(can be done any day or over the course of the week.)* We are asked to remain 2 kilometres from our homes if we are out exercising, walking or getting some fresh air. Create a piece of art entitled "My2K" – it can be based on reality or fantasy, you decide! Post a picture of your finished piece to your ClassDojo portfolio.

Monday

Gaeilge – Abair Liom pg 94 – Poster – Listen to the story on the interactive poster. (Link at bottom of poster in the green bar- I will post instructions on ClassDojo on how to open this story.)

Draw a picture for 6 of the items of technology in the poster and label them – focus on the spelling.
