

Monday 11th January – Friday 15th January 2020

Hi boys and girls. I hope you had a wonderful, safe Christmas and enjoyed the break! This is the work that I have prepared for you to try at home. The timetable provides for both online and offline activities. If you wish to show me your work, you can send it to me through Seesaw. I would love to see it!

Remember to ask for parental permission when accessing the internet. Your parents/caregivers will want to supervise you. Have a great week. ☺

**Please note that I have included safe links to videos from youtube. You will be brought to page that asks if you wish to continue. Simply click on the green continue button to view the video.
