

Online Learning for Ms. Curtin's Senior Infants

Week of February 8th-12th

Dear parents, please find below a description of the workbook/play activities you may wish to use this week. There is no pressure to complete all of these, they are merely ideas.

Regarding workbooks please if you can only do the pages I mention, when we return to school it will be quite tricky if the children have lots of pages completed that I have planned for us to do together as a class.

I have included a mix of online videos, games, written work and books as well as play and art ideas **based on the theme of Space and Valentine's Day on Friday**. You know your child best and what they can manage on a daily or weekly basis. I will continue to post a schedule each day to seesaw class that you may wish to follow. I have also archived last week's activities so any you did not get to complete will no longer appear in the feed. **I hope your child enjoyed our zoom call on Friday, I will be in touch with a date and time for our zoom session this week! Thank you for your help with this!**

Play Ideas:

- Playdough: Make an alien, a rocket, an astronaut, a planet, the moon, a satellite etc
- The Space Station: Set up your own space station. Set up chairs for the astronauts, use a onesie/outdoor wet gear as a space suit, go on a moon walk.
- Junk Art: Using recyclable materials you have at home make a spaceship, a satellite, a space rover, a planet etc
- Space small world: use rice, lentils, cocoa powder and pretend your doll or action figure has landed on the moon, include your junk art creations in the play
- Tin Foil Painting: Look at Van Gogh's 'Starry Night' then try and create your own version using tinfoil, paint, cotton buds

<https://www.messylittlemonster.com/2016/05/painting-foil-kids-art-ideas-van-gogh.html>

English: Readers: Readers will be posted to seesaw. If you would like more reader options the following websites offer free ebooks: readingegg.com, <https://home.oxfordowl.co.uk/> and epic.com. I will post 5 readers for the week at once.

Letter formation: This week we will write the capital letters P & R. I will post videos to seesaw about letter formation.

Monday: All Write Now Big Book page 23 Letter P

Tuesday: All Write Now Small grey book page 15 Letter P

Wednesday: All Write Now Big Book page 24 Letter R

Thursday: All Write Now Small grey book page 16 Letter R

Friday: No letter formation

Maths: Revise 3D shapes and their properties: sphere, cube, cylinder, cuboid, pyramid, cone. How many faces, corners, sides does this shape have?

Busy at Maths pages 32-35.

Religion: Lent/Saying Sorry Grow in Love Workbook pages 60 & 61
