

Monday 11th January – Friday 15th January

Hi everybody! I hope you all had a lovely, safe Christmas and are keeping well. As we all know we are back to online learning for the next little while but we will all be well able for it. This is the work that I have prepared for you to try at home. The timetable provides for both online and offline activities. If you wish to show me your work, you can send it to me through Seesaw. Remember to ask for parental permission when accessing the internet. Your parents/caregivers will want to supervise you. I know lots of you got really into reading, especially some of our Roald Dahl books, as well as writing your own stories just before Christmas. If you find you have spare time over the next while it might be a good opportunity to read and write some more – reading and writing whatever you have an interest in yourself! I would be delighted to have a look at any of the extra bits you have done if you wish to send them on but it is totally up to yourself! Have a great week everybody. ☺

	Monday	Tuesday	Wednesday	Thursday	Friday
1	Handwriting Just Cursive: Pg. 23	Reading*	Handwriting Just Cursive Pg. 24	Reading*	Reading*
2	Mental Maths Week 15	MM Tuesday	MM Wednesday	MM Thursday	MM Friday

*Reading: I will be assigning PM Levelled Readers books for the children to carry on with for their reading. These will be uploaded on SeeSaw throughout the week once I get access to them myself.

*I will be posting short videos/activities/photos to go hand in hand with this timetable. If it says check SeeSaw I will have the resources scheduled to be uploaded to SeeSaw at 9.20am that morning. I will place the number of the task beside the resource uploaded to SeeSaw to make it easier to navigate. For example; On Monday you will need to watch a video linked to your Maths which is Task 5. On SeeSaw you will see an activity assigned with the title 'Task 5' at the start. Hopefully this will make things easier and save you searching for bits and pieces!

Note in regards to corrections:

The children are more than welcome to send any work to me, set work or otherwise and I will look at it and correct it for them.

For Mental Maths and Busy at Maths I will send on answer sheets from the day previous each morning for them to self-correct their work. They are used to completing this task themselves in class already. For example, if I set work on a Tuesday, the answer sheet will be available on a Wednesday morning on SeeSaw.

Parents, remember that all content posted in this timetable and on Seesaw are ideas and suggestions.

Children and families can engage in a way that suits them.

If you have any other questions do not hesitate to get in contact with me via SeeSaw and I will try my best to help!

Many thanks for your support.

Stay well and safe.

Michele Jennings
