

Homework 25th-28th May 2020

Welcome to Wellbeing Week!

This week is 'Wellbeing Week'. We would like you and the children to engage with some wellbeing activities on the school website along with a small bit of reading and maths work each day. It is really important for the children and you the parents to get this time to refresh, re-energise and take some time out to focus on your mental wellbeing.

If you would like to contact me for any reason you can do so through Seesaw and/or by email; mslohan595@gmail.com. I really appreciate the feedback through the sending of videos and pictures. It's great to see them improve and grow while they are at home and I love giving them positive feedback. Hope this is giving the children a little bit of a boost too.

<u>English</u>	Reader - Uploaded on Seesaw	Reader - Uploaded on Seesaw	Reader - Uploaded on Seesaw	Reader - Uploaded on Seesaw
<u>Maths</u>	<u>Busy at maths</u> pg. 28 - Revise Full/Empty (Home school Links - small book)	<u>Make 5</u> - Get lollipop sticks/beads/buttons etc. How many ways can you make 5? Get child to say x and x makes 5.	<u>Busy at maths</u> Practice writing the number 0. Make sure the child recognises that 0 and 2 makes 2, 0 and 10 make 10 etc. You could do this with two bowls and some counters. pg. 29(small book)	<u>How many more?</u> <u>How many less?</u> Show the child two groups of counters. Ask which has more/which has less? See can they tell you how many more/less are in each group

***P.S. This week is a 4 day week as we are still following our usual school calendar.

Enjoy the week everyone!
