

Creagh Parents' Association

As the 1st of September fast approaches we have outlined some tips below to help with the return to school process for both Parents and Children.

- | |
|--|
| • Please ensure you know the correct entry point |
| • Please adhere to the social distancing guidelines |
| • Please do not congregate outside the school gate |
| • Do not use the church gate entrance unless this is the designated entrance for your child's class |
| • Additional parking is available at Creagh Cemetery |
| • For older children arrange a meeting point a little bit away from the school gates |
| • Initially Parents from Junior Infants to 1st class will accompany their Children to the designated collection points on the school grounds |
| • All parental access to the school grounds must arranged via the school office |
| • Where possible walk to school |

The School Management team have been working extremely hard in preparing to reopen. It is really important they get the full support of the parents.

Note: Familiarisation and compliance with all aspects of the return to school process including the revised entry and exit regimes will help facilitate a return to a common intake time.
